ALLOWANCE

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record disclose a method of processing combustible and incombustible materials including the steps of dry distillation followed by shredding process followed by separation process.

However, the prior art of record does not disclose or render obvious all of the details of the limitations of independent claim and, in particular, a method of processing a waste car body including the steps of pressing the car body in three directions to form a rectangular parallelepiped block followed by performing a dry distillation.
